April 27, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Mi Casa Resource Center's Creating Pathways to Opportunity for Vulnerable Colorado Workers Project in fiscal year 2022.

The entity to receive funding for this project is located at 345 S Grove Street, Denver, CO 80219.

The funding would be used to help program participants gain the education and skills needed to generate income, move up career ladders, and achieve success in higher education – all of which are efforts that lift entire families and communities out of poverty and creates a ripple effect into the District and the entire Colorado economy.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Diana DeGette
Member of Congress
