The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Inner City Health Center project in fiscal year 2023. The entity to receive funding for this project is Inner City Health Center, located at 3800 York, Denver, CO 80205.

The funding would be used to allow the Inner City Health Center to replace equipment that has been used heavily, and add to equipment to expand on the services they can offer in-house to provide high quality healthcare to the impoverished and those without insurance for both medical and dental services.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Diana DeGette
Member of Congress
