The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Nest Neighborhoods project in fiscal year 2023. The entity to receive funding for this project is The City and County of Denver, 1437 Bannock St, Denver, CO 80202.

The funding would be used to address significant community needs in the area of climate action sustainability and resilience by supporting the electrification of space and water heat and improvements in indoor air quality in 100 affordable multifamily apartment units. Indoor air quality will be improved through mitigation of carbon monoxide leaks, mold and other health and safety upgrades, and improved filtration of indoor air for wildfire smoke and other pollutants.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Diana DeGette
