The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Denver Health “Increased Access to Oral Health” project in fiscal year 2023. The entity to receive funding for this project is Denver Health and Hospital Authority, located at 601 Broadway, Denver, CO 80203.

The funding would be used to address significant community needs in the area of oral health and access to lifesaving imaging services among significantly medically underserved populations in Denver. It is consistent with the effort to promote preventive care and address issues of health equity as impacted by racial, socioeconomic and other factors.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Diana DeGette
