The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the DEN Passenger Flow Analytics project in fiscal year 2026. The entity to receive funding for this project is the City and County of Denver, located at 201 W Colfax Ave., Denver, CO 80202.

The funding would be used to deploy innovative technology at the Denver International Airport to monitor and analyze passenger flow. This project is an appropriate use of taxpayer funds because DEN is one of the busiest airports in the world and the funding will improve passenger throughput, reduce wait times, and reduce train congestion.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Diana DeGette
Member of Congress
