The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Denver Fire Station #40 project in fiscal year 2024. The entity to receive funding for this project is the City and County of Denver, located at 1437 Bannock Street, Denver CO, 80202.

The funding would be used to design and construct a fire station for the City and County of Denver Fire Department (Denver Fire). The project is an appropriate use of taxpayer funds because it would provide timely emergency services to a community undergoing continued development and population growth, while also providing backup Fire and emergency support to Denver International Airport.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Diana DeGette
